To be able to hang and display your artwork, please adhere to the following guidelines & sign below.

Entries must be your original work, which must be created from your inspiration and not a copy of another’s work, nor a duplication any commercially published work. Please email a jpeg photo of your painting to redcanoestudio@comcast.net.

Matting requested to be white or off-white. Prefer no colored mats, but colored ¼ inch inner mat is fine.

Unframed canvas paintings must have gallery finish (no staples showing). The sides must be painted.

On paintings larger than 16” x 20”, please use Plexiglas instead of glass, otherwise the painting may be too heavy to hang.

Please note, the **hanging system requires wire hanging only** (we cannot hang a painting with a saw-tooth hanger, or center loop). Place the slightly taught hanging wire 1/3 way down from the top and wrap wire ends with tape. Metal frames must have proper hangers (no clips) to attach the wire.

Attention to detail is important: badly joined frames, smudged mats, smeared glass, and ragged, wavy, or work with over-cut mat corners cannot be accepted for display.

There are no early drop offs unless prior arrangements are made by contacting Suzi Hoffman redcanoestudio@comcast.net or Lonny Hall lch226@mac.com, and this should be considered an exception, and not common practice. It is understood that artwork will remain on display in the gallery for the duration of the show. If you sell a painting during the show, just arrange to meet Lonny or Suzi at the gallery, and replace that painting with another to display for the continuation of the exhibit.

Following common practices with art shows around the country, **exhibiting artists take all responsibility for their own work** including any insurance they choose to have. Certainly, all reasonable care will be taken in the handling and exhibition of your artwork, but the Borough of Beach Haven, Borough Hall, and Pine Shores Art Association are not responsible for artwork or display pieces that are damaged, lost, or stolen, however caused, while in Borough Hall’s possession or in transit. Any display piece or artwork not picked up on the exhibition close date will be stored elsewhere at the owner’s risk. Exhibition pieces that remain uncollected within 3 months following the closing date of the exhibit will be considered donations and may be disposed of as determined by action of the Pine Shores Art Association Board of Trustees. Your entry into this exhibition constitutes agreement with these terms, including your permission for your work to be photographed for exhibition, catalog, or publicity purposes regardless of copyright. Having your work exhibited and promoted through publicity for this show does not infringe upon your copyright ownership of your work.

Your participation in the show acknowledges your agreement with the guidelines outlined here.
