Note from Pine Shores President...

Hello, My Friends,

My most important message to you is to ask that you remember our Veterans, not only on Veterans' Day but on each and every day of each and every year. They did what they did to make our country and our world safer for us and for those who will follow us. We owe them.

On a **much** less significant note, the 94 Stafford project is drawing to a much anticipated close. Our windows are complete; our supplies and furniture have been packed up, thanks to Linda and Jim Saladino, as well as to Paul and Diane Hartelius; and are being moved by PWs to an on-site storage pod provided by Stafford.

Our floor is being rebuilt, and the ratty carpet will be replaced with a dark, grayish laminate in the main room, office and storage room. Gray carpeting will run up the stairs and into the chair storage room. All interior work is **expected** to be completed by mid-December. Vinyl siding for the upstairs exterior is another story, it's on backorder. We still **hope** to be fully operable to start off the new year.

It will be beautiful!

Hoping to see you at the Holiday party!
